

the new Discovery Centre
Nova Scotia's Hands-On Science Centre

TAKE YOUR SEAT!

Be the first to TAKE YOUR SEAT in the spectacular Immersive Dome Theatre by putting your name on one!

This theatre will be a 100% digital, 180 degree, fully immersible experience that will transport you to worlds you have never seen. Put your name, or honour someone else with their name, on one of 50 seats - comfy, reclining, sit back and relax kind of seats - that demonstrates your support for the New Discovery Centre and our brand of innovative hands-on learning.

Individual seat sponsorship is only \$2,500

and can be paid in one installment or monthly up to a maximum two-year period.

TAKE YOUR SEAT donors will be recognized in a myriad of ways:

- Personalized seat plaque on the front of one Immersive Dome Theatre seat*
- Special VIP film screening and reception for TAKE YOUR SEAT sponsors during the Grand Opening Month celebrations
- Charitable tax receipt for your gift
- Your name on the website donor list
- Your name on the post-campaign print ad

TAKE YOUR SEAT NOW!

I will fulfill my pledge in:

- One installment of \$2,500
- Monthly installments
- Quarterly installments
- Two equal annual installments

● I am enclosing a cheque(s).

I wish to pay by credit card:

- Visa
- Mastercard

Number: _____ Expiry: _____

Name on Credit Card: _____

Or **click here** to pay online.

Please fill out this form, including the designated pledge information, and send it to:
TAKE YOUR SEAT, New Discovery Centre, 1593 Barrington Street, Halifax, NS, B3J 1Z7

The Discovery Centre will be in touch to confirm your seat reservation and inscription.

THANKS FOR BEELEIVING!

*Seats are available on a first-come, first-serve basis. The Discovery Centre will do its best to accommodate your requested seat location, however, we reserve the right to assign seating as required. Naming a seat does not guarantee its reservation for any Theatre presentation. The Discovery Centre reserves the right to approve all inscriptions to a maximum of 30 characters. The plaque will remain on the seat for the expected lifetime of the seats, estimated to be 10-15 years.
